WIDE AREA TELEPHONE SERVICE LINES (W.A.T.S.) TO ILLINOIS CITIES (EXCEPT CHICAGO AND SPRINGFIELD) FOR OFFICIAL UNIVERSITY BUSINESS CALLS ONLY

There is no toli charge on any call dialed to a point in Illinois, if you follow the instructions below. The cost is included in the basic service charge. Personal calls may not be placed over the W.A.T.S. lines. Personal calls may be made from University phones by dialing 9, then 0 for Operator and providing her with the residence line phone number to which the call is to be charged. (This is known as third number billing.)

The W.A.T.S. lines are NOT to be used for calls to Chicago and Springfield. Tie Lines are available for toll-free calls to these two cities. Instructions on how to use the Tie Lines are printed above.

Illinois Bell Telephone Company tariffs prohibit the users of W.A.T.S. lines and Tie Lines from obtaining information by refusing to accept person-to-person or collect calls for the purpose of identifying the calling party and calling back on a W.A.T.S. or Tie Line. (This practice is in clear violation of Illinois Bell tariffs and can lead to discontinuance of the service for the violator.)

HOW TO USE THE W.A.T.S. LINES

Calls Within Area 217

1. Listen for dial tone, then dial 182.
2. When you receive the second dial tone, dial 1, then the complete number you are calling. For example: To call Decatur, Illinois, dial 182 + 1 + seven digits of number.

Calls Elsewhere in Illinois (other than Area 217)

1. Listen for dial tone, then dial 182.
2. When you receive the second dial tone, dial 1, then the proper area code, then the complete number you are calling. For example: To call Peoria, Illinois, dial 182 + 1 + 309 + seven digits of number.

If the telephone number of the party desired is not known, you should obtain the number by dialing 9, then 1, then the area code (if appropriate), then 555-1212. You should then proceed with the instructions indicated above for calls within Illinois.

Calls to Places in Illinois Which Can Not Be Dialed Direct

1. Listen for dial tone, then dial 182.
2. When you receive the second dial tone, dial 0 and place call with Special Operator. The number 028-1611 will be required by the Special Operator to complete this type of call.

There is no charge for these calls.

Note

Your patience in securing and your cooperation in the use of these lines, which are for *official University business only,* are solicited. Callers will receive a busy signal when all lines are in use. Departments are reminded that there is no charge for calls made over the W.A.T.S. lines. Departments will be charged for calls made to Illinois cities and elsewhere over long distance lines.

DIRECT DISTANCE DIALING FOR STATION-TO-STATION CALLS

You can dial direct to most cities in the United States and Canada. A list of frequently called cities and their area codes appears on the introductory pages of the Champaign-Urbana Telephone Directory. Area codes for cities in Illinois are listed on pages 9 and 10. Champaign-Urbana is located in area 217. If the place you want to call is not listed, dial 9, then 0 for Operator and ask if the city can be dialed direct.

LONG DISTANCE CALLS (OUTSIDE ILLINOIS)

1. Listen for dial tone, then dial 9.
2. Dial 1.
3. Dial the proper area code.
4. Dial the computer number you are calling. For example: To call New York City, dial 9 + 1 + 212 + seven digits of number.

You will be charged for these calls.

WRONG NUMBERS REACHED ON ANY DIRECT-DIALED LONG DISTANCE CALL

1. If you reach a wrong number, ask what city you have reached.
2. Immediately dial 9, then 0, and tell the Operator what happened. You will not be charged for the call to the city reached in error if this procedure is followed immediately.

IF YOU DO NOT KNOW THE OUT-OF-TOWN NUMBER YOU ARE CALLING

You can dial direct for Directory Assistance in many cities across the United States. *There is no charge for these calls.*

The Directory Assistance Number — 555-1212 — is the *same* in every city that you can dial direct.

For Directory Assistance in area 217, dial 9, then dial 1, then 555-1212.

To call Directory Assistance in a distant city, dial 9, then 1, then the appropriate area code, then the standard Directory Assistance Number 555-1212.

A list of some United States and Canadian cities and their area codes appears on the introductory pages of the Champaign-Urbana Telephone Directory.

ANYONE . . . ANYWHERE . . . CAN CALL YOU DIRECT IF THEY KNOW YOUR NUMBER

Give your complete seven-figure *individual* telephone number to *everyone* who calls you at the University. It will enable them to reach you quickly.

It will be helpful to those who contact you if you include your telephone number on letters and other material you mail.

Remind persons in distant cities that your area code is 217.

Remember, your telephone number is *not* 333-1000. This is the University of Illinois Directory listed number.
